3. How we collect information about you

We collect personal information from you, for example when you open an account; make a deposit; apply for products and services; use your credit or debit card; complete transactions; or look for advice. We also collect information through our website, apps, social media, discussion forums, market research and CCTV footage. We will sometimes record phone conversations and we will always let you know when we do this.

We may collect information to identify you through voice, facial or fingerprint (biometric data) recognition technology. We always ask for your consent to do this.

Our websites use 'cookie' technology. A cookie is a little piece of text that our server places on your device when you visit any of our websites or apps. They help us make the sites work better for you.

When you apply to us for products and services, and during the time you use these, we carry out information searches and verify your identity. We do this by sending and receiving information about you to and from third parties including credit reference agencies and fraud prevention agencies. We and these agencies may keep records of our searches whether or not the product or service goes ahead.

4. How we keep your information safe

We protect your information with security measures under the laws that apply and we meet international standards. We keep our computers, files and buildings secure.

When you contact us to ask about your information, we may ask you to identify yourself. This is to help protect your information

5. How long we keep your information

To meet our legal and regulatory obligations, we hold your information while you are a customer and for a period of time after that. We do not hold it for longer than necessary.

6. Meeting our legal and regulatory obligations

To use your information lawfully, we rely on one or more of the following legal bases:

- performance of a contract;
- legal obligation;

- protecting the vital interests of you or others;
- public interest;
- our legitimate interests; and
- your consent.

To meet our regulatory and legal obligations, we collect some of your personal information, verify it, keep it up to date through regular checks, and delete it once we no longer have to keep it. We may also gather information about you from third parties to help us meet our obligations. If you do not provide the information we need, or help us keep it up to date, we may not be able to provide you with our products and services.

7. Consent

Sometimes we need your consent to use your personal information. With direct marketing for example, we need your consent to make you aware of products and services which may be of interest to you. We may do this by phone, post, email, text or through other digital media.

You can decide how much direct marketing you want to accept when you apply for new products and services. If we ever contact you to get your feedback on ways to improve our products and services, you have the choice to opt out.

When we use sensitive personal information about you, such as medical or biometric data, we ask for your consent. Before you give your consent, we tell you what information we collect and what we use it for. You can remove your consent at any time by contacting us.

8. How we use your information

We use information about you to:

- provide relevant products and services;
- identify ways we can improve our products and services;
- maintain and monitor your products and services;
- protect both our interests;
- meet our legal and regulatory obligations; and
- decide and recommend how our products and services might be suitable for you.

To provide our products and services under the terms and conditions we agree between us, we need to collect and use personal information about you. If you do not provide this personal information, we may not be able to provide you with our products and services.

We analyse the information that we collect on you through your use of our products and services and on our social media, apps and websites. This helps us understand your financial behaviour, how we interact with you and our position in a market place. Examples of how we use this information includes helping protect you and others from financial crime, offering you products and services and personalising your experience.

We may report trends we see to third parties. These trend reports may include information about activity on devices, for example mobile phones, ATMs and self-service kiosks, or card spend in particular regions or industries. When we prepare these reports, we group customers' information and remove any names. We do not share information in these reports that can identify you as a customer, such as your name, or account details.

We sometimes use technology to help us make decisions automatically. For example, when you apply for a loan online. Before we make a decision, we automatically score the information you give us, any information we already hold about you, and any information we may get from other sources.

9. Your information and third parties

Sometimes we share your information with third parties.

For example to:

- provide products, services and information;
- analyse information;

- research your experiences dealing with us;
- collect debts;
- sell your debts;
- sell whole or part of our business;
- prevent financial crime;
- help trace, investigate and recover funds on your behalf;
- trace information; and
- protect both our interests.

In order to process your application we will supply your personal information to credit reference agencies (CRAs) and they will give us information about you, such as about your financial history. We do this to assess creditworthiness and product suitability, check your identity, manage your account, trace and recover debts and prevent criminal activity.

We will also continue to exchange information about you with CRAs on an ongoing basis, including about your settled accounts and any debts not fully repaid on time. CRAs will share your information with other organisations. Your data will also be linked to the data of your spouse, any joint applicants or other financial associates.

The personal information we have collected from you will be shared with fraud prevention agencies who will use it to prevent fraud and money-laundering and to verify your identity. If fraud is detected, you could be refused certain services, finance or employment.

Further details of the CRA's and fraud prevention agencies, and how they process your information can be found at our websites.

We expect these third parties to have the same levels of information protection that we have.

We also have to share information with third parties to meet any applicable law, regulation or lawful request. When we believe we have been given false or misleading information, or we suspect criminal activity we must record this and tell law enforcement agencies, which may be either in or outside the UK.

10. International transfers of data

We may transfer your personal information outside of the European Economic Area (EEA) to help us provide your products and services. We expect the same standard of data protection is applied outside of the EEA to these transfers and the use of the information, to ensure your rights are protected.

11. Your personal information rights

You will find information about your rights, when they apply and our responsibility to you on our website's Frequently Asked Questions section.

You can exercise your rights by calling into a branch, using our social media channels, phoning or writing to us. Further information and our contact details are available on our websites at www.firsttrustbank.co.uk/data-protection or www.aibgb.co.uk/Data-protection

1 Looking after your Card and PIN

- 1.1 For information on how to use your Card you should refer to the relevant section of your 'Business Debit Card User Guide' brochure
- 1.2 You should sign your Card as soon as you receive it. You should take all reasonable steps to keep your PIN, other security information or any other code allocated to you by us and/or subsequently chosen by you secret, your Card, your Security Details and any Device secure at all times. You should tell us immediately if you change your address, phone number or any other contact details for the Account or Card. The Card will be our property at all times.
- 1.3 You must not let anybody else use your Card, PIN, Security Details or any other code allocated to you by us or chosen by you.
- 1.4 You must not tell anyone your Card Number, except when carrying out a Transaction or to register or activate your Card in a Digital Wallet or to report that the Card is lost, stolen or likely to be misused. If you want to, you can register your Card and its number (but not your PIN, Security Details or any other code allocated to you by us or chosen by you) with a recognised card protection company.
- 1.5 We will provide you with your PIN. When you receive your PIN you should memorise it and keep it secret. You can also change your PIN at any UK Cash Machine displaying the LINK sign. Do not choose a PIN that is easy for someone else to guess (such as your date of birth or 1234). You must never tell anyone your PIN. You should never write down or record your PIN on your Card (or anything you normally keep with or near it) in any way which might be recognised as a PIN, or give someone else access to a Device you keep your details on.

2 If your Card, Device or Security Details are Lost or Misused

- 2.1 If you think someone else knows your PIN, Security Details or any other code allocated to you by us or chosen by you, or if your Card or if a Device is lost, stolen or likely to be misused, you must tell us immediately. Call us, on the number noted in our 'Contacting us' section.
- 2.2 We will accept notice from a card protection company if you have your Card registered with them or from Visa, if your Card, PIN, Security Details or Safeguard System passcode has been lost, stolen or is likely to be misused.
- 2.3 If any Card we have issued to you is lost, stolen or misused, we expect you to co-operate with us and the police in any investigation. If we can show that you have acted fraudulently in relation to a Transaction that you tell us is unauthorised, we will not refund you the amount of that Transaction, nor any related interest and charges.
- 2.4 Unless we can show that you have acted fraudulently or with intent or Gross Negligence, we will refund you the amount of any Transaction, interest and charges:
 - a) if you have not received your Card and someone else misuses it; or
 - b) for all Transactions not authorised by you after you have told us that your Card or Device has been lost or stolen or that someone else knows your PIN, Security Details, Safeguard System passcode or other security information; or
 - c) if someone else uses your Card details without your permission and your Card or Device has not been lost or stolen.
- 2.5 Once you have reported your Card as being lost, stolen or likely to be misused, it cannot be used again. If you later find your Card, you must destroy it by cutting through the Chip.
- 2.6 If you act fraudulently, you will be Liable for all losses. If you act with intent or Gross Negligence and you cause losses as a result, you may be Liable for them. This may apply if you fail to keep to any of the conditions set out in section 1, 'Looking after your Card and PIN'.

3 Using your Card

- 3.1 You must only use your Card in line with these terms and conditions, your Account terms and conditions where applicable, the Digital Wallet Agreement and any other terms and conditions relevant to the use of your Card.
- 3.2 The Card must be used for business purposes only.
- 3.3 You can use your Card in the following ways:
- in conjunction with your PIN for point of sale Transactions, or Transactions using a Cash Machine to lodge at the Post Office® or in conjunction with your PIN for withdrawals and balance enquiries over the counter at a branch or Post Office®
 - for Transactions by mail, telephone, mobile phone or other portable device, internet or by use of a Safeguard System (including the use of your Digital Card through a Digital Wallet);
 - through a Card or a Device enabled to make a Contactless Transaction to make purchases for small amounts without using the Chip and PIN or other Security Details. When making a payment using your Card or Device by way of a Contactless Transaction you must place your Card or Device against the reader in the Outlet. The Card or Device, as applicable will be detected and the payment is completed without you entering your PIN or other Security Details. Occasionally, for your security or for Transactions over certain amounts, you may also be asked to insert your Card into the card terminal and enter your PIN or on your Device you may be asked to enter your Security Details to authenticate your Transaction and enable your Transaction to proceed. Details of these limits are available by contacting us. Some limits may not be disclosed for security purposes.
- 3.4 You can use your Card only within the Validity Period shown on it.
- 3.5 Use of your Card is subject to Transaction and daily limits as set by us. You can contact us to agree spending limits for using your Card online, subject to our Transaction and daily limits. Our contact details are set out in the 'Contacting us' section.
- 3.6 A Card does not give you an overdraft or any other form of credit, so you must apply for these in the normal way. If you already have an agreed overdraft, you can use your Card to make withdrawals, but you must not go over any Agreed Overdraft Limit.
- If, by using your Card, you go overdrawn and you do not have an Agreed Overdraft Limit or you go over the Agreed Overdraft Limit and we have not given you permission to do so, the Account Holder must immediately pay back the amount by which you have gone over the limit. We will charge you a fee for any items presented for payment when you have gone overdrawn or the amount you have gone over the Agreed Overdraft Limit. The Account Holder will also have to pay any other bank charges that apply. You can find details of our unauthorised overdraft interest rate and charges in our Price list for Business customers' brochure and also on our Website.
- 3.7 When necessary, we may give you a new or replacement Card and/or PIN. There may be a charge for new or replacement Cards please refer to our Price list for Business customers' brochure. However, we will not issue any more Cards on the Account if you tell us not to do so.
- 3.8 We may, following the request of the Account Holder, agree to issue additional Cards on the Account. Any such agreement on our part is at our absolute discretion, and we are entitled to decline such requests. Each additional Card requires a separate PIN and may be used by a person nominated by you. Additional Cards will be issued subject to these terms and conditions.
- 3.9 It is the responsibility of the Account Holder to provide the Authorised User with a copy of these terms and conditions and to make sure that the Authorised User complies with these terms and conditions and any subsequent amendments to or replacement of these terms and conditions.

- 3.10 It is the responsibility of the Account Holder to contact us to cancel any Card issued to an Authorised User who is no longer authorised by the Account Holder to use the Card. For security reasons, immediately destroy all physical Cards by cutting through the Chip and delete or un-register all related Digital Cards.
- 3.11 If the Authorised User ceases to be an authorised signatory on the Account or if the signing instructions on the Account cease to be 'any to sign' we will cancel the Card(s) on the Account.
- ### 4 Card Transactions
- 4.1 You cannot stop or reverse a Transaction you have made using your Card or Card Number once the Transaction has been completed (whether or not you have entered a PIN, Safeguard System passcode, Security Details, signed a voucher or by way of Contactless Transaction) as we guarantee the payment.
- 4.2 If you have recurring Transactions (also known as 'Continuous Payment Authorities') set up on your Card (such as an internet or magazine subscription) and you wish to cancel them, you can do so by contacting us up to the last Banking day before the payment is due to leave the Account. You should also contact the company or service provider to advise them that you are cancelling the recurring Transaction.
- 4.3 Transactions may take a number of days to appear on the Account statement. If there are any mistakes on the statement or you have any questions about the information on it, you should contact us as soon as possible. We recommend that the Account Holder reviews the Account statement regularly.
- 4.4 We may, without notice, refuse Authorisation for a Transaction if we have good reason to believe that:
- the security of the Account, Card or Device is compromised;
 - the Account, Card or Device could be used to commit fraud, or by someone who does not have authority to use it;
 - the Transaction seems unusual compared with the way you normally use your Card, Account or Device;
 - in the case of a Payment Service that offers you credit (for example, an overdraft), there is a significantly increased risk that you may not be able to pay back the money you have borrowed; or
 - the Transaction would damage our reputation, then we may prevent or stop any Transaction on your Account. Where applicable, unless to do so would be against the law, we will try to contact you before we take a decision to decline a Transaction, but it may not always be possible for us to do so. Please refer to the 'Contacting you' section for the ways in which we can communicate with you. If we contact you by text message you may be asked to confirm a Transaction by responding to the text message with a 'Y' or 'N' reply. The text will come from +447537414900. This is a number for texting only and it won't answer if you ring it. We will not ask you for any personal information, account numbers or PIN numbers. If you are not happy to answer the text, contact us on a trusted number found on our Website or correspondence that is known to be authentic, such as a statement. If you do not have a mobile phone or your phone does not receive text messages, we will try to call you. If we are unable to make contact with you by phone we will send you a letter asking that you contact us.
- 4.5 The Account Holder is Liable (except as mentioned in section 2), for paying:
- all Transactions;
 - all interest and charges as mentioned in these terms and conditions and the Price list for Business customers' brochure; and
 - all losses and reasonable costs which we have to pay as a result of you breaching these terms and conditions including if this is arising from a Card issued to an Authorised User.
- 4.6 When you use your Card to withdraw cash or to carry out any Transaction in a currency other than sterling, you will have to pay

extra charges for non-sterling Transactions. You can get details about how we apply these charges from the relevant sections in our Price list for Business customers' brochure. In addition to the fees and charges referred to in our Price list for Business customers' brochure you may also be charged a Transaction fee by the local bank which processes the Transaction.

We have no control over third parties that might apply a charge for processing the Transaction or who convert the local currency into sterling and charge for doing this. We also have no control over the rates they may apply.

- 4.7 The available balance on the Account may reflect:
- any Authorisation we have given for a Transaction which has already been carried out but has not yet appeared on the Account statement; or
 - any Authorisation we have given for a Transaction which has not yet been carried out but for which we have been asked to authorise an estimated amount.
- 4.8 Once a Card Transaction has been carried out on the Account both the Account Holder and us will be bound by that Transaction, unless the details of it are proved to be incorrect. If we think you have acted fraudulently or with intent or Gross Negligence, it will be our responsibility to prove it. We must also prove that you have received your Card if there is any dispute about this. If you have any questions about Card Transactions on the Account, you should contact us as soon as possible and in any case no later than 13 months after the date of the Transaction.
- 4.9 If we issue a Card for use by an Authorised User, the Account Holder will be Liable for all amounts arising from, or losses incurred in connection with the use of the Card. If we receive an instruction about the Card from the Account Holder or Authorised User, we may act on it.
- 4.10 When shopping online with participating retailers who take part in the Verified by Visa scheme, we may ask you for some extra Security Details to give you an additional level of protection against unauthorised use of your Card. All you need to do is ensure that you have a valid mobile phone number registered with us because we may send you a one time passcode to complete the online Transaction. You may not be able to proceed with your online purchase if you do not register your mobile number with us. You should take all reasonable steps to keep your Security Details secure at all times and you should not share it with anyone.
- 4.11 When you make a Transaction using your Card, the balance on your Account will usually be decreased immediately by the amount of the Transaction. Sometimes, an Outlet (for example a self-service petrol station or a hotel) may obtain a specific pre-authorisation for an amount agreed with you. This may reduce your available balance, although that pre-authorised amount may only be charged by the hotel or petrol station to your Account where you have obtained goods or services to the value of the pre-authorised amount. Once the Outlet instructs us to, we will remove the pre-authorised amount as soon as possible. We recommend that you review your Account details online on a regular basis. Please contact us if you have any queries.

5 Refunds (for more details please also see the Account Terms and Conditions)

- 5.1 If you are not happy with something you have paid for using your Card and the Outlet agrees to give you a refund, we will only credit the Account with the amount due upon receipt and processing of the refund amount from the Outlet. For non-sterling Transactions the amount actually credited to your Account may, following deduction of relevant fees and charges, differ from the original amount of the Transaction carried out on your Account. We will not accept any other method of refund. Unless the law says otherwise, you cannot use a claim you have made against an Outlet as a defence or claim against us.

- 5.2 We cannot be held Liable (whether or not you or an Authorised User make or try to make a Transaction) for:
- any other person failing, or taking longer than expected, to accept your Card, Device or Card Number;
 - the way in which any other person communicates that they failed or took longer than expected to accept your Card, Device or Card Number, or refused to authorise a Transaction; or
 - The publication of a refusal of Authorisation of any Transaction.
- 5.3 Where a payment from your Account has been initiated by or through a Payee, you may be entitled to a refund if:
- the authorisation you gave did not specify the exact amount of the payment; or
 - the payment made from your Account was more than reasonably expected, taking into account your previous spending pattern, the terms and conditions of your Account or Card and the circumstances surrounding the payment.
- To request a refund, you must tell us as soon as possible if either or both of the above happen and, in any case, no later than 8 weeks after the amount is taken from your Account.
- 5.4 We will refund you within 10 Banking days of your request or of receiving any information we ask you to provide to us. If we refuse your request for a refund we will inform you of this within the same 10 Banking day timeframe along with our reasons.
- 5.5 You are not entitled to a refund where:
- you have given consent directly to the Payment Service Provider for the Transaction; and
 - information on the Transaction was provided or made available in an agreed manner to you by the Payment Service Provider or Payee at least four weeks before the due date.
- 5.6 If we refuse your refund request, and you do not agree with this decision you may refer to the Financial Ombudsman Service. Please see the 'Making a complaint' section for details.

6 Cancelling the Card

- 6.1 We reserve the right at any time and without giving notice, to refuse Authorisation for a Transaction. We may also make this refusal public. We can also decide not to renew or replace the Card. We can also cancel the Card on the Account. If we take such action we will give the Account Holder notice of this in writing. If we decide to do this we will, wherever possible, give the Account Holder at least two months' notice in writing unless there are exceptional circumstances. These include, but are not limited to, the following:
- the security of the Account, your Card or Device is compromised;
 - the Account, your Card or Device could be used to commit fraud, or by someone who does not have authority to use it;
 - in the case of a Payment Service that offers you credit (for example, an overdraft), there is a significantly increased risk that you may not be able to pay back the money you have borrowed;
 - if an encumbrancer takes possession of, or a receiver, administrator, administrative receiver, liquidator, trustee, manager or similar officer is appointed over all or any part of your business or assets;

We will have no responsibility or liability in respect of any Digital Wallet facilities provided by third parties nor any other applications or services which are provided by third parties in connection with your Digital Card or Digital Wallet, including any fees or charges which may be charged to you by third parties.

- 8.8 The laws of Northern Ireland apply to this Agreement and the courts of Northern Ireland will have exclusive jurisdiction over any dispute that may come about as a result of this Agreement.

Additional information

¹ Scheme responsible for the protection of your eligible deposit
Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your bank should occur, your eligible deposits would be repaid up to £85,000 by the Deposit Guarantee Scheme.

² General limit of protection

If a covered deposit is unavailable because a bank is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers a maximum of £85,000 per bank. This means that all eligible deposits at the same bank are added up in order to determine the coverage level. If, for instance a depositor holds a savings account with £80,000 and a current account with £20,000, he or she will only be repaid £85,000.

This method will also be applied if a bank operates under different trading names. AIB Group (UK) p.l.c. also trades under First Trust Bank in Northern Ireland and Allied Irish Bank (GB) and Allied Irish Bank (GB) Savings Direct in Great Britain. This means that all eligible deposits with one or more of these trading names are in total covered up to £85,000.

In some cases eligible deposits which are categorised as "temporary high balances" are protected above £85,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

- (a) certain transactions relating to the depositor's current or prospective only or main residence or dwelling;

- (b) a death, or the depositor's marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;
- (c) the payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

More information can be obtained under <http://www.fscs.org.uk>

³ Limit of protection for joint accounts

In case of joint accounts, the limit of £85,000 applies to each depositor.

However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £85,000.

⁴ Reimbursement

The responsible Deposit Guarantee Scheme is the Financial Services Compensation Scheme, 10th Floor Beaufort House, 15 St Botolph Street, London, EC3A 7QU, Tel: 0800 678 1100 or 020 7741 4100, Email: ICT@fscs.org.uk. It will repay your eligible deposits (up to £85,000) within 20 working days until 31 December 2018; within 15 working days from 1 January 2019 until 31 December 2020; within 10 working days from 1 January 2021 to 31 December 2023; and within 7 working days from 1 January 2024 onwards, save where specific exceptions apply.

Where the FSCS cannot make the repayable amount available within 7 working days, it will, from 1 June 2016 until 31 December 2023, ensure that you have access to an appropriate amount of your covered deposits to cover the cost of living (in the case of a

depositor which is an individual) or to cover necessary business expenses or operating costs (in the case of a depositor which is not an individual or a large company) within 5 working days of a request.

If you have not been repaid within these deadlines, you should contact the Deposit Guarantee Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained under <http://www.fscs.org.uk>.

Other important information

In general, all retail depositors and businesses are covered by Deposit Guarantee Schemes. Exceptions for certain deposits are stated on the website of the responsible Deposit Guarantee Scheme. Your bank will also inform you of any exclusions from protection which may apply. If deposits are eligible, the bank shall also confirm this on the statement of account.
